

Jeans & Shoes

perfectly paired

Straight-Leg

Note that any of the shoes mentioned in this guide also work with the versatile straight or slim-straight jean.

Loafers

Mules & Clogs

Sneakers

Ballet Flats

Best when hem is just above the ankle.

Booties

hem skims over a fitted shaft, or hits just at top of shaft. Can be cuffed to this length too.

- Relaxed or Slim - not "skinny" - not tight at ankles.
- Ankle Bone Zone
- Can be Cuffed - i.e. Boyfriend/Girlfriend Style

Flares/Bootcut/Wide-Leg

Loafers

The longer the jean, the chunkier the loafer

Clogs, Platforms, Block Heels

Platform Sneakers

Pointy Toe

Booties

Length: At the ankle bone or 1-2" off the ground when wearing shoes.
The longer length gives fewer options for shoes -- best with a heel or a pointy toe.
